

GLOBAL CONNECTIONS

AIM: to show how we are interconnected with so many countries and cultures around the world.

HOW TO PLAY:

You have to find answers to the questions by going round the room asking different people questions.

YOU CAN ONLY ASK ONE PERSON ONE QUESTION.

TRY NOT TO REPEAT THE SAME COUNTRY.

Under NAME fill in the name of the person who gave you the answer and write the country in the space provided.

WHY SHOULD WE BE INTERESTED IN PEOPLE AND PLACES
AROUND THE WORLD?

When pupils have completed the Global Connections quiz, they should have at least 16 reasons why they should be interested in so many other people and places around the world.

Before you finished breakfast this morning, you'll have depended on many people around the world!

Many of the countries listed will include CAFOD partners and programmes. Some of the questions lend themselves to personal answers.
