

ONE WORLD WEEK – NOT JUST A WEEK OF ACTION BUT A LIFETIME COMMITMENT

“If everyone helps to hold up the sky, then one person does not become tired”

Ghanaian proverb

One World Week is an annual opportunity to join a worldwide movement of people taking action for justice locally and globally:

- Local events to celebrate the diversity of cultures in our communities.
- Joining together to learn and share in caring for the earth and its resources.
- Taking action for justice, equality, peace and fullness of life for all.

The OWW website offers resources to guide your planning, stories to inspire from around the world, ideas for discussion and thought-provoking presentations. OWW falls around 24 October (UN Day).

OWW believes that when people from diverse backgrounds come together and find they share a common goal of global justice, lives are transformed and enriched.
